

## ELECTION

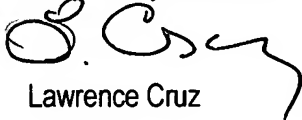

Pursuant to the election requirement issued by the Examiner in the Office Action of 03.01.2006, in which the Examiner identified Specie I: Figs. 1-7, 15 ; and Specie II: Figs. 8-14, Applicant hereby elects Specie I: Figs. 1-7, 15.

The elected claims are: 1, 2, 3, 6, 7, 8, 9, 10, 11, and 12.

## REMARKS

With respect to the Examiner's characterization of one species being movable in a pivotal manner, and another species being movable in a sliding manner, Applicant hereby states for clarification on the record that both embodiments feature some pivotal movement and some sliding movement.

Respectfully submitted,
